

## WORKSHOP SPACE

Our large, ground floor workshop is a great space for set and prop building, painting and creating. With double door access it can accommodate larger scale builds as well as small and detailed projects. Please be aware that there are some structural pillars in the space.

### Features include:

- 10.5m x 6.6m double door access
- Ground floor
- Bench and floor space for set building
- 4 large supporting pillars that need to be worked around
- Various power tools including compressor available

### Hire charges 2013:

For commercial companies:

£540 p/wk    £102 p/day

For charities and not for profit companies:

£367 p/wk    £74 p/day

Charges are exclusive of VAT which will be added at 20%.
